

PROGRAM DESCRIPTION

DTP is an arm of SERVE Kenya Ministries seeking to walk with young men and women for an extended period of time in an intensive discipleship relationship. The objective of this program is to cultivate a holistic Christian outlook in the life of the disciples and to walk with young people who are feeling a calling to ministry but are not 100% certain of their calling as full or part time ministers.

SERVE KENYA MINISTRIES is a ministry born out Denton Bible Church in Denton, Tx USA.

It was established in Kenya in June 2004 with a mission to Cultivate, Equip and Mobilize Christian leaders in East African Local Churches.

We do this by training Pastors and Church leaders towards long-term, self-sustaining, indigenous teaching ministries.

DTP was established in 2015 to start investing in young people who have a desire to serve God in fulltime capacity before they get there. This ensures a solid foundation of ministry rooted in the word of God that's lacking in many local churches in East Africa.
